PROFILE

Brand and editorial designer with seven years in agency and in-house work. I build visual identities and the systems that keep them consistent once a client starts using them.

EXPERIENCE

Senior Graphic Designer, Maroun & Partners Agency - Beirut

04/2021 - Present

- Lead designer on eleven brand identity projects, including a full rebrand for a regional bank rolled out across 42 branches.
- Built the design system and component library in Figma that four designers and two front-end developers now work from.
- Art direct photo shoots and manage the retouching pipeline with two freelancers.
- Present concept work directly to clients and run the revision process.

Graphic Designer, Studio Chams - Beirut

06/2018 - 03/2021

- Editorial layout for a monthly magazine, 96 pages, on a fixed print deadline.
- Packaging design for a food and beverage client across 30 SKUs, including print production liaison.
- Social media asset production and motion graphics in After Effects.
